Abstract:

Clos des Fées Master Class (11.00 am – 12.00 am)

Hervé Bizeul, previously sommelier, then wine journalist, very gifted in both cases, decided to come back to the land, ten years ago and chose to create a winery in the Roussillon, confident on the very high quality of the soil and the possibility to make first rate wines. The Clos des Fées is now the benchmark of southern French red wine.

Krug Master Class (12.00 am – 1.00 pm)

For champagne lovers Krug is simply Krug, bubbles impossible to compare with any other, because of their distinct style. The Krug taste duplicated every year by a talented wine making team takes its originality from the fermenting old barrels which add a delicious nutty undertone, and a deft assemblage, using the three varietals, with different proportions, depending on the vintage.
