

World Wine Tour by the Wine Gallery **Hosted by The Wine Gallery by ASC Fine Wines**

ASC Fine Wines' "World Wine Tour by the Wine Gallery" invites you on a tasting journey through some of the world's most famous wine producing regions – from Bolgheri and Friuli in Italy, to France's Côte Du Rhône, to the New World wine regions of sunny Napa Valley in California USA and Australia's most southwesterly point at Margaret River.

ASC Fine Wines will feature premium wines from star wineries including -

- **Vega-Sicilia, Spain:** This winery is considered by many to be the "Lafite of Spain", producing the most valuable wine from the Iberian Peninsula. Its **Vega-Sicilia Reserva Especial NV (2011 release)** received **99 points** from renowned critic **Robert Parker**, while **Vega Sicilia Unico** scored the maximum **5 Stars** in **Decanter Magazine**.
- **E. Guigal, France:** Under its wine producer, **Marcel Guigal**, the winery rose to international fame with its many fine wines including the **Côte-Rôtie range**. Robert Parker claimed that "In the past 26 years (of wine tasting), I have never seen a producer so fanatical about quality as Marcel Guigal." Apart from the Côte-Rôtie, the winery will also pour its highly acclaimed **Hermitage Rouge "Ex-Voto" 2006 (RP 98)**.
- **Tenuta dell'Ornellaia, Italy:** A "Super Tuscan" icon with its flagship wine **Ornellaia 2009 (RP 97)**, this estate prides itself on its passion and dedication, coupled with its unique terroir and an extraordinary microclimate. The winery has been recognized as one of the most important estates in the world.
- **Cardinale, California, USA:** Cardinale creates a single wine from each vintage, making the wine a limited-production. The fine wine tasting session provides a precious and unique opportunity for wine lovers to taste the **Cardinale Cabernet Sauvignon 2008 (RP 96)**.
- **Leeuwin Estate, Australia:** Wine lovers can discover the vineyard's famous "**Art Series Chardonnay**" which has been described by wine critic James Halliday as "Australia's finest example" of Chardonnay (**WS 96**). The newly released 2008 "Art Series Cabernet Sauvignon" recently received **Decanter Magazine's Outstanding Award** and will also be available to taste.

The "World Wine Tour by the Wine Gallery" will be held from 11:00am-1:00pm, 10 November (Saturday) at Fine Wine Tasting Area, Hall 3E Concourse, Hong Kong Convention and Exhibition Centre.
